

2020 SCHOLARSHIP SEASON

The purpose of the Carson Scholars Program is to recognize and reward outstanding students in the United States who exemplify academic excellence and humanitarian qualities. The goal of the Carson Scholars Program goes beyond instilling an interest in college early on and assisting with the costs of college.

- 1. Carson Scholars are role models in their schools.** The impact of our program extends from individual students and families to schools and classrooms. Carson Scholars encourage other students in their schools to strive for excellence and serve as peer role models. Our research shows that 94% of our scholars feel that being named a Carson Scholar has helped them become role models in their schools.
- 2. Carson Scholars are recognized by their schools.** As part of the Carson Scholars Program, schools are provided with a trophy to be proudly displayed. The aim is to reinforce academic achievements and to refocus the spotlight on education; too often athletic achievements are recognized more often than academic successes.

Eligibility Requirements:

- Students must be enrolled in grades 4-11 at an accredited school in the United States.
- Unless otherwise told by CSF staff, only **one student** from each school can be nominated.
- Students must exemplify academic excellence (**minimum 3.75 GPA** on 4.0 scale for current year report card). Visit our website to review how CSF calculates GPAs:
<http://caronscholars.org/gpa-calculation-rules-and-policies>
- Students must display strong **humanitarian qualities**. We are looking for students who participate in community service above and beyond what is required in school.
- Students must not be a previous Carson Scholar award recipient.

Award:

- Scholarship winners named “Carson Scholars” will receive a \$1,000 scholarship invested towards a four-year college or university.
- An Olympic-sized medal and certificate of achievement.
- Invitation to be honored at a regional awards banquet.
- Schools receive a trophy highlighting the student’s achievement.
- Once a student is named a “Carson Scholar” he/she is eligible to apply for Scholar Recognition in future years.
