Meet Derron Blake, the CSF's 10,000th Scholarship Recipient

Derron Blake Jr., a fourth-grade student at Northboro Elementary in West Palm Beach, is a natural leader and peacemaker, ensuring all students' voices are heard and respected.

Derron's leadership abilities go beyond the classroom. He has been involved in an ample amount of community activities and public speaking events. Derron has given public speeches in the community, ranging from topics on gun violence to continuing to share and promote Dr. Martin Luther King Jr.'s message on equality and freedom for all individuals.

Derron enjoys playing golf and tennis and aspires to become a successful technology business owner, professional tennis player or an esteemed politician.

"I am an orator, Boy Scout, and community advocate who loves the earth. When I grow up, I want to participate in the same causes as an honorable politician. I want to lead with fairness, compassion, and dignity like my mentors, scout master, coaches, and Dr. Martin Luther King."

- Derron Blake Jr.
