

The Palm Beach Chapter of the CSF is a group of dedicated volunteers who fundraise for the benefit of building Ben Carson Reading Rooms in local Florida schools.

To become involved in Palm Beach County, contact Tammy Blazenyak at [Tammy@carsonscholars.org](mailto:Tammy@carsonscholars.org).

## BEN CARSON READING PROJECT FLORIDA READING ROOMS

Designed to combat illiteracy and promote leisure reading as a key to unlocking a child's full potential!

Ben  
Carson  
Reading  
Project

The Ben Carson Reading Project has reached over 118,000 students in 23 states and Washington, DC, purchased over 128,500+ high-interest books and invested more than \$3.6 million dollars in the program. There are over 255 rooms nationwide including 26 in Palm Beach County, Florida.

Ben Carson Reading Rooms are cheerful, vibrant, relaxing, and often whimsical spaces created for leisure reading.

“

Since the creation of the first Ben Carson Reading Room in Palm Beach County at Allamanda Elementary in 2014, the reading room project remains committed to creating dedicated literacy spaces where children can become proficient and enthusiastic readers.

”

– CANDY CARSON  
CARSON SCHOLARS FUND CO-FOUNDER

*“Schools with Ben Carson Reading Rooms document increased levels of learning, improvements in vocabulary and reading test scores, and improved student attitudes towards reading and what they can accomplish in their lives.”*

– READING ROOM COORDINATOR

▲ ALAMANDA ELEMENTARY

Across demographics, 89% of kids agree their favorite books are the ones that they have picked out themselves.\*

Forty percent of kids want books that allow them to explore places and worlds they have never been.\*
