

## NDR 2025 Instructions

Each year at the Carson Scholars Fund, we celebrate our National Day of Reading to reignite a love for reading in students. In this digital age, it's more important than ever to take time to highlight the value of reading and the role it plays in empowering our youth.

We'd like to invite your school to celebrate our **20th Annual National Day of Reading on November 17, 2025!**

This year's featured book is *The Magical Yet* by Angela DiTerlizzi, a heartwarming story that teaches the power of possibility and perseverance. We believe every child has the potential to do great things; they just need to believe in themselves. Our hope is that this inspiring story helps spark that belief in your students.

**To celebrate, we're gifting your school a copy of *The Magical Yet* for your reading room!**

Here's how to participate:

1. **Share** the narration of *The Magical Yet* by **Mrs. Candy Carson** and the accompanying story activities with your students. These resources will be emailed during the week of **November 10th**.
2. **Add** your copy of *The Magical Yet* to your reading room and encourage students to enjoy the new book!
3. **Share** photos and anecdotal stories of how your school celebrated this literacy event. Please email them to **Amani Green at [agreen@carsonscholars.org](mailto:agreen@carsonscholars.org)**.

We can't wait to celebrate another magical day of reading with you!
