

Carson Scholars Headshot Specifications and Examples

Your headshot will be used in our awards banquet program book and slideshow. The photo should be your head and shoulders only. Backgrounds may vary, and the focus should be on the subject (*see examples on the left*).

Please submit the photo in jpeg form and cropped to a 3x4 format (72 dpi and max 2mb if possible). If you are uploading from a cell phone, please choose “actual size.”

If your photo looks pixilated (*see right*), we will request one with a higher resolution as it will look extremely blurry when projected on the large screen at the banquet.

Opting Out of Sharing Your Photo

You have the option to opt out of sharing your photo. The medal photo (*right*) will be used in its place.

Questions

If you have any questions, please contact CSF Graphic Designer and Scholarship Coordinator Bridget Devoy at bdevoy@carsonscholars.org or 410.828.1005.
